INTRODUCTION

À la fois pratique, pédagogique et ludique, ce cahier de remise à niveau propose de revoir les fondamentaux de la langue anglaise (vocabulaire, grammaire et conjugaison).

Les fiches abordent les notions indispensables à la maîtrise de la langue anglaise. La diversité et la variété des tests font de ce livre un outil qui s'apparente à un véritable cahier de jeux et vous permet d'apprendre tout en vous amusant. Plusieurs enregistrements audio sont disponibles et vous aident ainsi à travailler votre compréhension orale, en plus de votre compréhension écrite. Quelques exercices s'appuient également sur des vidéos pour faire le lien entre image, son et texte et permettent de progresser en douceur.

Grâce à ce livre composé de nombreux chapitres, vous pouvez travailler votre anglais de manière autonome, à votre rythme et selon la fréquence souhaitée. Des solutions détaillées, placées en fin d'ouvrage, vous permettent ensuite de vous corriger en vue de consolider votre apprentissage et d'améliorer considérablement votre connaissance de la langue de Shakespeare.

En début d'ouvrage, profitez d'un test de positionnement pour vous évaluer et identifier vos lacunes.

Bonne lecture, Pierre Couturier.
