Somebody on our **block** has lost their cat. There are posters everywhere.

The **rent** is 700 pounds for a studio on the **ground floor**.

Unfortunately, this lovely house is not **for sale** anymore.

We **have designed** a brand new kitchen. It looks fantastic! Now, I will **decorate** my bedroom with plants and antique prints. Could I borrow your **ladder** to hang the frames?

When you move out, you will get your **security deposit** back.

Will you bring your own furniture, or are you looking for a **furnished** place?

The studio has both **air conditioning** and **central heating**, so you should be very comfortable in summer and winter.
